Hello. My name is Volodymyr and I am looking for a company in which I can actively grow and develop and thus contribute to the development of your organization. I used to do only non-commercial projects, which you can see in my GitHub in the EXPERIENCE section. My level of English: Pre-intermediate. I want to develop in the direction of developing and configuring themes and plugins for CMS WordPress, Shopify, etc. Ready to learn new technologies.

SKILLS

- HTML5
- CSS3
- SASS
- Bootstrap 4

- GitHub
- JavaScript
- WordPress
- Shopify

EDUCATION

I took courses in HTML, CSS at w3schools.com, and learned the basics of JavaScript at javascript.info. Shopify, WordPress mastered on their own. I have been studying the front end for almost a year.

EXPERIENCE

You can get acquainted with my works by looking at my portfolio.
